
Hearing Quiz

Hearing loss develops gradually, so you may have a hearing loss and not even know it. This simple quiz will help you determine if you show signs of a hearing loss. Please answer the following questions and we'll review your results during your visit.

1. Do people around you seem to mumble?

2. Have you ever been embarrassed because you couldn't hear or misunderstood something being said to you?

3. Do you often ask people to repeat themselves?

4. Do you have trouble hearing on the telephone?

5. Does your family or friends complain that you play the TV or car radio too loudly?

6. Do you sometimes have trouble hearing household sounds like a faucet dripping, a clock ticking or a doorbell ringing?

7. Is it hard to hear when you can't see the speaker's face?

8. Do some people say that you speak too loudly?

9. Have you ever experienced ringing in your ears?

10. Are conversations in restaurants or crowded places difficult?

"If only your ears could smile"
